

*Dear colleagues,*

It gives us a great pleasure to announce you that the project *European Judicial Court Staff and Bailiffs - Promoting and supporting the European cross-border cooperation (EJT - 763862)* co-funded by the European Union's Justice Programme (2014-2020), has started on the 01.09.2017 and in which Coordinator of the project is Justice International Cooperation (JCI), France, and partners are National School of Clerks - Romania, Chambre Européenne des Huissiers de Justice - France, Direção-Geral da Administração da Justiça - Portugal, European Institute of Public Administration - EIPA, Institut de Formation Judiciaire – Belgium and Centro de Estudios Jurídicos – Spain.

According to the project sheet, the training activities will be carried out between 01.09.2017 - 28.02.2019.

In the framework of the project, clerks within Courts and trainers within the network of the National School of Clerks will be enrolled in training activities that will be carried out during 2018.

In this sense, clerks within Courts will be enrolled in a Legal English Terminology course and will participate to study visits in the partner countries. Also, trainers within the network of the National School of Clerks will be enrolled in different training sessions on judicial cooperation in civil and commercial matters, family matters and criminal matters.

In the coming period, call for applications for participating to the training activities organized in the framework of the project will be published.

The end of the year gives us the opportunity to thank you for your support given to the National School of Clerks this year and to wish you Happy Holidays and a New Year with joy!
